

LOCAL FOODS LOCAL PLACES GREENWICH, NEW YORK

JOIN US: SEPTEMBER 7, 2017

You are invited to a community meeting on how local foods can help build a stronger village of Greenwich. We would like to learn your ideas for how local foods can attract **new businesses and jobs, fill vacant spaces**, and support a **strong sense of community**. This meeting will bring people together to create an action plan around ways food can support the ongoing revitalization of our community. Please join us for a community meeting on **September 7th at 7:00 PM** to share your ideas. If you have continued interest and time, please also consider attending the **work sessions on September 8th** to discuss strategies for Greenwich and help plan the next steps.

Do any of these topics interest you?

Local foods, job opportunities, walkability, agri-tourism, improving downtown and main street, finding uses for vacant spaces, revitalization, network building, collaboration, and more...
